ALLEMAN'S STORE NEWS

CHRISTMAS GIFTS FOR EVERYONE

Those who visited our store the past week were most liberal in their praises of the elaborate stock we have prepared for Christmas shoppers. A stock of handsome and inexpensive sents, as well as more costly. The good are arranged so that your shopping may be made comfortable, and you will not be annoyed by a jam.

DON'T BE AT A LOSS

To know what to give for Christmas. We have articles innumerable for the ladies. Dinner Sets in Porcelain and China, beautiful decorated and plain Red Lamps. Jardineres and Pedestals, Onyx and Brass Tables, Sewing Baskets, Shopping Baskets, Chafing Dishes, China Ware in great variety, Vases and Oriental Ware in the latest designs

And here we are again with things for the little ones-Santa Claus and Alleman's, a perfect combination. Toyland brought from the North Pole to make Christmas work easy for Santa Claus. What do you want boys? What will you have girls? You'll have to write to Santa Claus or dream about the things you want on Christmas morning. You know Santa Claus learns lots from the dreams of little girls and boys. But you can't dream about them unless you see them and you can't see them any place but Alleman's. Everything dear to the heart of the boy and girl is here, as well as a lot of things they

Dolls, Go-Carts, Picture Books, Sleds, Wagons, Irish Mail Cars, Toy Autos, Fire Engines, etc. A veritable Toy Land it is, on our Second Floor.

GAMES

Good amusement for children and grown-ups also. Crokinole, Flinch, Chess-India. The best thing out is the Combination Carrom and Crokinole Board, can be used for 65 games. Price only \$3.25.

Billiard and Pool Tables, a handsome gift. Can be used right in your parlor or library.

SKATES

All sizes, for boys and girls, ladies and gentlemen, a very

For the practical people we have such useful articles as Roasters, large and small, Carving Sets, etc. You know a dull knife mars the enjoyment of many a Christmas or New Year Feast. That is, it spoils the pleasure of the man who has to use it then, or any other time. If you get one of our Carving Sets you will have no trouble in that line. They are all good and some are perfect beauties.

CHRISTMAS TREE DRNAMENTS IN GREAT VARIETY. CHRISTMAS TREE HOLDERS CHRISTMAS CANDIES

In great variety and abundance. We can give bottom prices on orders for Schools and Sunday Schools, etc., and will give pound or half pound boxes free with all such orders. Also Candy Tongs. We have the finest line of Christmas Candies ever shown in Gettysburg, all fresh and pure.

CHRISTMAS GROCERIES

Of course. Everything nice for baking the cakes, or preparing for the Christmas Feast. Fresh Oysters every Friday. Dressed Chickens every week. Sweet Cider, Mince Meat, and a full line of new dried fruits.

Christmas Hardware

Yes if you need any at Christmas. Guns, Rifles, etc. Lots of things suitable for gifts in the Hardware Department. We extend our best wishes to all our friends for a very

Hence they say that when the Christmas supply reaches the cities and the cold storage plants begin o unload that there is going to be a twelve cent turkey predicted for the Christmas dinner. Of course no one is sent prepaid so cheaply. No lamily of person is prepared to study the heavens pecially those who expect to eat turkey

The ways of the government are past | Prof. Hicks splendid paper, Word and Works. Both are sent for only one not ading out. Not long ago they asked LAR A YEAR. Word and Works in among the best American Magazines. Like the National Cemetery and there was one Hicks Almanac, it is too well known to idder Wm. H. Johns of this place. It need further commendation. Few me have labored more faithfully for the pub eard because he was the only bidder. lic good or found a warmer place in the erhaps it was because it was decided in hearts of the people. Send orders to different point, about one hundred feet Word and Works Publishing Co., 2201 way. Then new bids were asked for, ders but Wm. H. Johns was the lowest bidder and the contract was his. He edges the receipt of a copy of the 1904 was to dismantle and tear down the old | Kodol Almanac and 200 Year Calendar, lodge and began at the work, removing the cornice and other portions. Then publishers of this most interesting, unialong came some one who said "I am the | que and useful booklet. government just now for this particular Calendar, aside from other interesting which was planued and bid upon will not be put up. The plans will be changed." The third time is the charm It also tells your lucky day, your flower as the children say and it ought to go and your birth stone, and the day of the next time It ought however to be week upon which you were born or the given to Mr. Johns without any more bidding for that job surely belongs to event has occurred since the day of our

as the year 199 The new plans talked about are for larger house and one more convenient. The house as first planned while much larger than the present lodge gave few additional rooms. It is understood that copy of this booklet to any one enclosthis defect will be remedied and also ing a two-cent stamp with a request for that there will be ample porch room, as oublic. This is as it should be for pratically no shelter had been provided for shelter is appreciated by those who visit the Cemetery. The work on the lodge wind-mills constructed of box boards, is not expected to be begun until in the barrel staves, scrap-iron and odds and spring. One regret about this is that in its usual good order, but the lodge t may give an idea what it will be like We hope yet that the changes will give mething along the lines as suggested eral counsel of the Union Pacific in order some time ago by the COMPILER, a col- to give more attention to the affairs of the onial lodge with wide porches supported Western Maryland railroad.

Do you know at the county Hospital there is a most peculiar case. It is one of those extremely interesting examples f catalepsy, which have been attracting the attention of scientific men and are eing studied. The subject is a young girl not eighteen. She has bright rosy heeks She has been in the hospital for at not less than \$300,000. over eight weeks. All this time she has een in bed. There has been an apparent spanension of sensation and volition the body and limbs preserving any posithe body and limes preserving any posi-tion that may be given them, while the action of the vital organs continues. She and others have secured a charter for line they both go the monotony is varied by row did not agree, and a divorce folsimply lies in bed apparently oblivious from Mt. Holly to Gettysburg. It is said the coupling of the front carriage breakto her surroundings with her eyes wide that the rights of way of the latter line open. She does not talk, once in while have been almost entirely secured and has been heard to laugh and to call a came or two under special circum stances. She seems to have no power volition. She has no wants. She is fed but does not know to swallow, bu after being repeatedly told to swallow e suggestion takes effect. She has olunteered no act of her own yet Everything that must be done on her part is only secured after repeated suggestions. Consciousness seems to be asleep and only aroused sufficiently to the absolute needs after suggestions have been made. Some of these cases have been known to have lasted months and ears. Some of them have been successfully treated bypnotically. To the nedical world and those interested in the study of mental phenomenon the are at all times of great interest. A Little Kick.

PROMINENT DEATHS OF A WEEK

Prolific Writer. Dr. Henry Clay Trumbull, the well known editor of the Sunday School Through his paper he has been as it were a personal friend to many of the cit zons of our town and county. He was born in Connecticut, was chaplain of one of the regiments of that State during the civil war, and was in three prisons, Libby, Charleston and Columbia. He has been for many years the forement figure in Sunday school work in the world and a prolific writer. Paralysis was cause of his death.

William M. Riddle

William M. Biddle, secretary and treas-ner of the Cumberland Valley Railroad Company, died at his home in Carlisle ast Wednesday. He had been sick for one wetnesday. He had been sick to more than two years, death however coming unexpectedly. His father, General E. M. Biddle, occupied same position in railroad as his son, who was his assistant, and latter upon his death four year ago, became his successor. Judge E. W. Biddle was a brother of deceased. George S. King.

George S. King, founder of the Cambria Iron Works of Johnstown, died in that city last week. He was born at Hagers-town, and lived and grew up at Mercers-burg. When 24 years old he landed in Johnstown and became prominent in the development of that place. He was known by a number of our citizens. He died in MARRIAGES.

> The "Meenister's" Appetite The minister of a kirk in a rather mote country parish in Scotland, with his ruling elder, went a long Journey for the "catechising" of an old parish-ioner. The walk was long and arduous and when they arrived at their destina-tion their appetites, to say the least, were somewhat "keen," and they did justice to the meal which the old parishioner offered them. "Now, Janet," said the minister, when he and his companion had for awhile finished eating, "we will begin the serious busi-

ness. Do you remember the text for last Sunday?" "Aye, I mind it well," replied Janet. "It was about the miracle of the loaves and the fishes. "And have you pondered the subject during the week, Janet?" continued the minister. "Deed have I, sir," said

the woman, "and I'm thinkin' the nothat if you and the elder had been there they wadna have taken up sac monbasketruls." Children In Russia. A long towel is used by Russian peas ant women to support their babies

These latter have no buby clothes, but are wrapped in a linea sheet, and the ong towel, fastened in a knot behind the mother, passes from the shoulder under one arm and makes a sort of sling for the baby to lie in. Children n Russia are not generally allowed on in the severe weather of winter, but run about barefoot in summer. At night it is so warm in summer thei the beds are often pulled outside of the house altogether, and it is not an GO TO uncommon thing on the way home from some late anusement to come across a sleeping family of peasants. Richer families have balcomes, on to which they also sometimes drag their beds

on summer nights. Pipe Filling as a Profession. There are few ways of earning an honest penny more strange than that in which an old couple in the north of England eke out a scanty income. Theh little cottage is situated near a large mine, and every morning the colliers before descending to their work leave their pipes and tobacco boxes in the bands of the old folk. The pipes are cleaned and filled ready for lighting, and the unners can come up at the dinner hour and enjoy a good smoke without having to expend time in charging their pipes. They are again left to be in readiness for the evening. The small weekly charge per pipe mounts into a respectable number of
